

Classroom Seating Puzzle

Solution (for reference):

1. **Clara** is wearing the **green** shirt (since the green shirt is between Clara and the yellow shirt).
2. **Daniel** is wearing the **yellow** shirt (because Clara is next to the yellow shirt, and Daniel can't be next to Clara).
3. **Alice** is wearing the **blue** shirt (she is sitting next to the person in blue).
4. **Brian** is wearing the **red** shirt (since he can't wear the blue or yellow shirts, and he isn't in the red shirt).
